

# NATIONAL REPORT SERBIA 2016

dr Milan Dinić

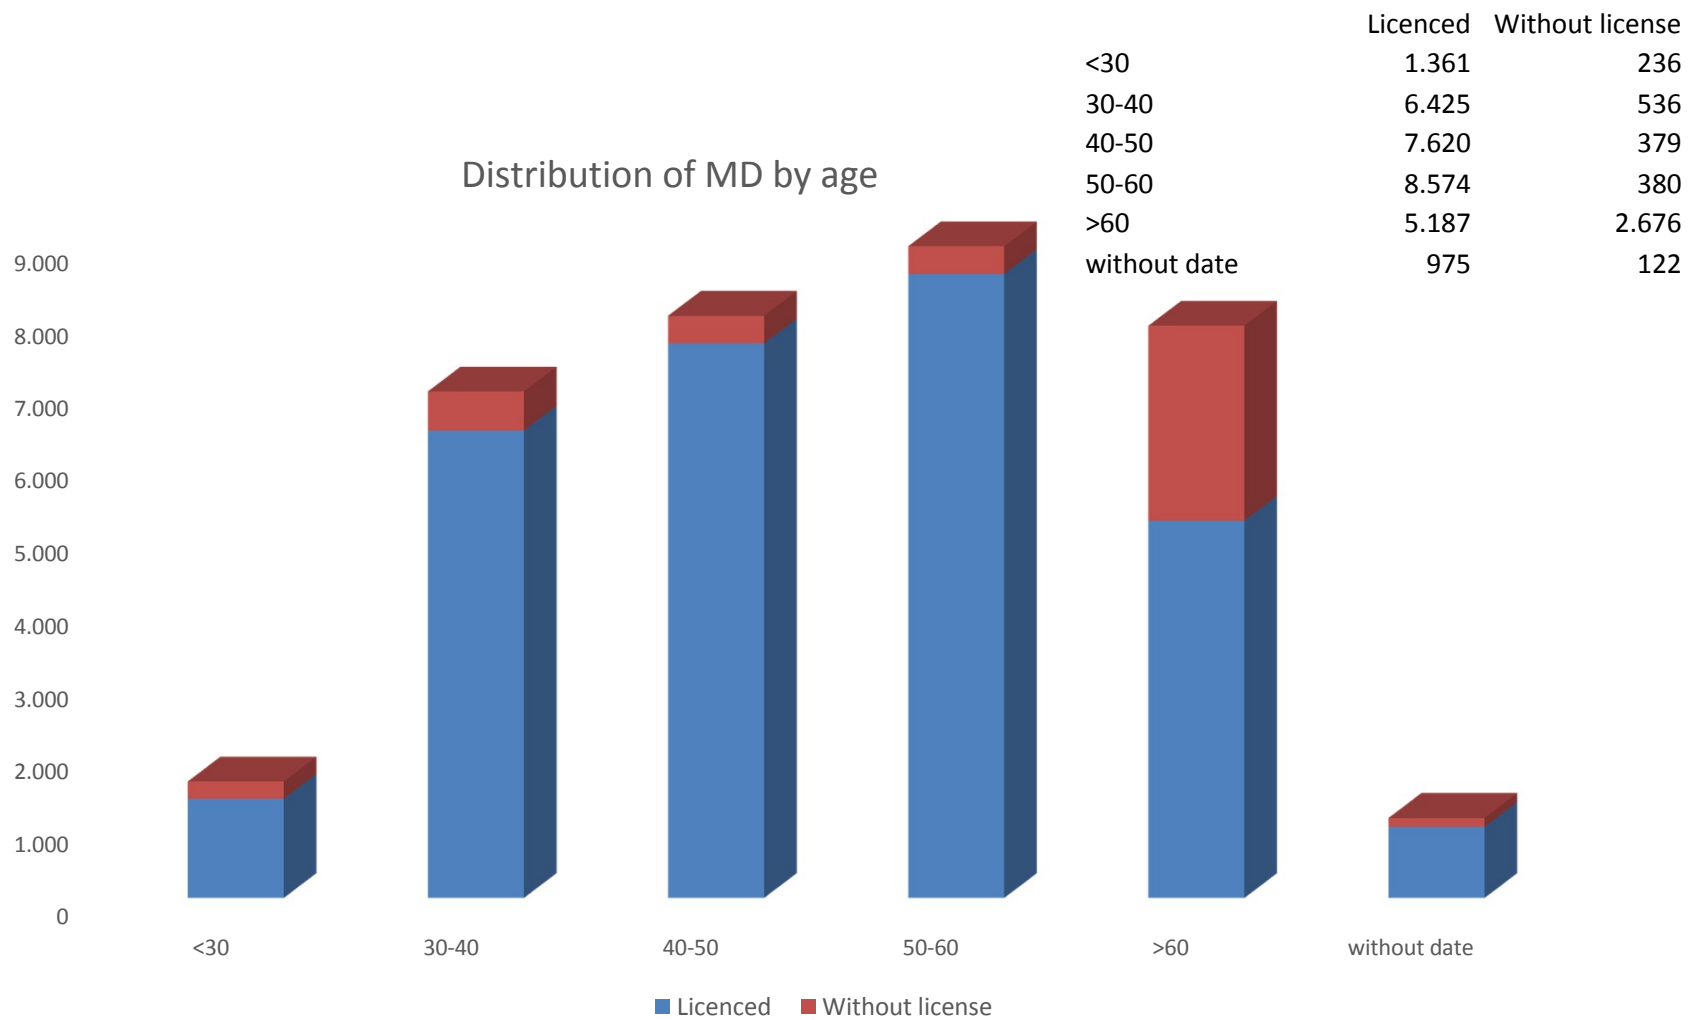

dr Milan Manojlović

# 23rd ZEVA, Sofia, 2016.

# 23rd ZEVA, Sofia, 2016.

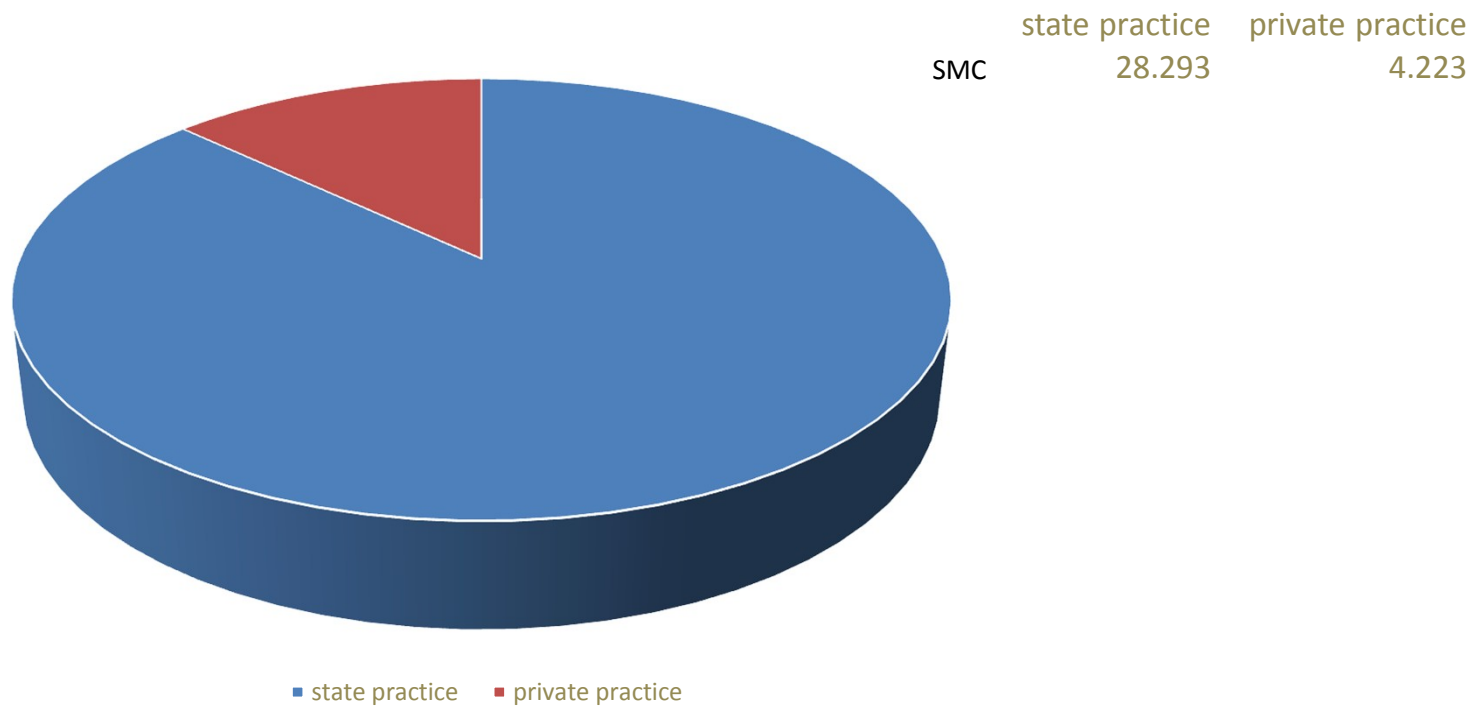

## 23rd ZEVA, Sofia, 2016.

- Serbian Medical Chambre suggestions
  - Encourage employment of youth doctors
  - Cancel isuee about mandatory 2 years of working before specialisation
  - More liberal „volonterly specialisation“

# 23rd ZEVA, Sofia, 2016..

## State and private practice

# 23rd ZEVA, Sofia, 2016.

## Financing of private practice:

- Pay from pocket
- Private medical insurance

## Current cooperation with state insurance fund

- only for procedures with waiting list (IVF, Cataracta surgery)

## „Private doctors“ need to:

- Exchange medical records for patients with public health institutions
- Recognition and acceptance of medical reports from private practice

# 23rd ZEVA, Sofia, 2016.

- Courts of honor
  - Every Region have own Court
  - Supreme Court of honor
- Discipline measures
  - Public warnings
  - Decreasing salary – up to 20%
  - Temporary subtraction of Licence
  - Lifetime subtraction of Licence
- Improve cooperation with Civil courts (exchange verdicts)

# 23rd ZEVA, Sofia, 2016.

- About media:
  - Media are liberal
  - Media like „Senzacional headlines“
- SMC – will organise PR service to establish better communication with media

23rd ZEVA, Sofia, 2016.

## **Still have to be done in 2016**

- New Code of Professional Ethics
- Intensive training for the judges of the Courts of honor
- PR service
- Relicence of over 19.000 doctors (after 7 years of Licence validity)
- Work on 3 new Laws (Law of Medical protection/service, Law of Medical Insurance, Law of profesional medical chambres)
- Continius medical education

THANK YOU
